The maximum hours of contact are forty for each course; the student will be required to achieve at least thirty hours of contact for the completion of the course and to earn certificate. The value added courses are optional and offered outside the curriculum of the program. These courses can be offered in any semester, required that the student will opt only one course in one semester. The performance of students will be evaluated on the basis of assignments/projects.

In compliance with the vision of the University – “To create value based knowledge society”, the fees for these courses have been waivered off completely; thus, these courses will be offered under freeship scheme.

The departments must share the information with the students and encourage them to opt the courses.
