SHIROMANI GURDWARA PARBANDHAK COMMITTEE PROJECT

Career Fair 2019

Date of Career Fair: 10th April, 2019.

Career fairs play a pivotal role in connecting students with prospective employers, providing a platform for networking, and facilitating the exchange of information between educational institutions and industries. Sri Guru Granth Sahib World University recognizes the importance of career fairs in shaping the future of its students and fostering meaningful collaborations with the industry. Career fairs play a significant role for both students and the university, and help to contribute to building strong partnerships with the industry.

A career fair is a large-scale event where employers and recruiters interact with students and job seekers. These events are organized to create a bridge between academic institutions and industries, offering students the opportunity to explore potential career paths, learn about various industries, and connect with employers. Career fairs provide a platform for students to showcase their skills, engage in one-on-one discussions with recruiters, and gain insights into the job market.

Sri Guru Granth Sahib World University recognizes the crucial role of career fairs in enhancing the overall educational experience for its students. The university aims to prepare students not only with academic knowledge but also with practical skills and a deep understanding of the industry. Career fairs act as a gateway for students to step into the professional world, helping them make informed decisions about their career paths.

For the university, career fairs serve as a channel to strengthen ties with industries and promote collaboration. By facilitating direct interaction between students and potential employers, the university establishes itself as a proactive institution that values the employability and success of its graduates. This engagement also allows the university to stay updated on industry trends, ensuring that its academic programs remain relevant and aligned with the needs of the job market.

Career fairs offer students a plethora of benefits, starting with the chance to explore a wide range of career options. By interacting with representatives from different industries, students gain valuable insights into the skills and qualifications required in the professional world. This exposure helps them make informed decisions about their academic and career paths.

Networking is another key advantage for students attending career fairs. Connecting with recruiters, professionals, and alumni creates opportunities for mentorship, internships, and potential job offers. Additionally, students can attend workshops and seminars conducted during career fairs to enhance their job-seeking skills, such as resume writing, interview preparation, and professional etiquette.

The interaction at career fairs also allows students to showcase their talents and accomplishments directly to employers. This personal engagement can leave a lasting impression and increase the likelihood of being remembered during the recruitment process.

For industries, participation in career fairs offers a direct link to a pool of potential talent. By engaging with students at an early stage of their academic journey, industries can identify and nurture promising individuals. Career fairs provide a platform for employers to communicate their expectations, share information about their organizations, and create awareness about career opportunities.

Furthermore, industries benefit from the opportunity to shape the skill sets of future graduates. By providing feedback to educational institutions, they contribute to the development of curricula that align with industry requirements, ensuring that graduates are well-prepared for the workforce.

Career fairs at Sri Guru Granth Sahib World University play a crucial role in fostering long-term partnerships between the university and industry. These events create a platform for ongoing collaboration, including guest lectures, internships, research projects, and placement opportunities. The continuous engagement between the university and industry ensures that students receive the most up-to-date and relevant education, enhancing their employability upon graduation.

"Career Fair-2019" was held at Sri Guru Granth Sahib World University on April 10, 2019. This event marked a significant milestone for our university as it brought together a diverse range of companies and over 1000 students from 140 universities and colleges across Punjab, Haryana, Himachal, and Rajasthan.

The "Career Fair-2019" witnessed enthusiastic participation from renowned companies spanning various industries, including NCR, Metro Tyres, Preet Tractors, Royal Enfield, Coca Cola (Bottling Plant), Oppo, ALW, HF Super, Cord Life Sciences, MedFe, Emson Gears, VFS Global, PAGRO, and Hotel Park Plaza, among others. This diverse participation allowed our

students to explore opportunities in Engineering (Mechanical, Electronics, Electrical, Computer Sciences, Biotechnology, Food Processing Technology), MBA, M.Com, BBA, B.Com, MCA, BCA, Chemistry, Hotel Management, Agriculture, as well as Diploma and ITI courses.

The success of the event can be attributed to the collaborative efforts of our university administration, faculty, and the participating companies. The Career Fair served as a platform for students to interact directly with industry professionals, gain insights into various career paths, and showcase their skills and talents.

Key Highlights of the "Career Fair-2019":

Diverse Participation: The event witnessed a robust presence of companies from various sectors, providing students with a comprehensive overview of potential career opportunities.

Student Engagement: Over 1000 students actively participated in the fair, engaging in meaningful conversations with recruiters, attending informative workshops, and submitting resumes for potential job opportunities.

Industry Networking: The fair facilitated networking between students and representatives from leading companies, creating a bridge for future collaborations, internships, and mentorship opportunities.

Regional Outreach: With participation from 140 universities and colleges across four states, the fair had a broad regional impact, establishing Sri Guru Granth Sahib World University as a hub for career development in the northern region.

Positive Feedback: Initial feedback from both students and participating companies indicates high satisfaction levels, emphasizing the success of the event in meeting the expectations of all stakeholders.

Moving forward, the university plans to build on the success of the "Career Fair-2019" by organizing similar events in the future. This initiative aligns with our commitment to providing our students with valuable opportunities for professional growth and ensuring that our academic programs remain aligned with industry needs.

The Career Fair held on April 3, 2020, at Sri Guru Granth Sahib World University was not merely an event but a catalyst for connecting students with prospective employers and fostering collaborative relationships between academia and industry. With active participation from prominent companies across diverse sectors such as Coca Cola (Bottling Plant), Oppo Mobile, Jaro Education, Toppr Technologies, IDS Infotech, Bayatree Infocomm, Tiwana Oil Mill, Megastar Food, Vista Foods, and more, the Career Fair became a platform for students to explore opportunities and for companies to scout the best talent.

The Career Fair 2020 was a dynamic event designed to bridge the gap between students and industry professionals. Held at Sri Guru Granth Sahib World University, this initiative aimed to provide a holistic platform for students pursuing Postgraduate and Undergraduate courses in Engineering (Mechanical, Electronics, Electrical, Computer Sciences, Biotechnology, Food Processing Technology), Sciences, MBA, M.Com, BBA, B.Com, MCA, BCA, Agriculture, Engineering, and Diploma. The participation of companies from diverse fields showcased the relevance of the fair across various industries.

Importance of Career Fair 2020 for Sri Guru Granth Sahib World University:

- **Strengthening Industry-Academia Collaboration:**

The Career Fair exemplifies the university's commitment to fostering collaboration with the industry. By providing a platform for direct interaction between students and industry professionals, the university facilitates a seamless exchange of knowledge, ensuring that academic programs remain aligned with the evolving needs of the industry.

- **Enhancing Student Employability:**

The fair plays a pivotal role in enhancing the employability of students by exposing them to a wide array of career opportunities. By engaging with recruiters and industry representatives, students gain valuable insights, refine their professional skills, and increase their chances of securing meaningful employment upon graduation.

- **Showcasing Academic Excellence:**

The participation of reputed companies in the Career Fair reflects the academic excellence of Sri Guru Granth Sahib World University. It serves as a testament to the quality of education provided, with companies actively seeking graduates from diverse disciplines.

Importance of Career Fair 2020 for Students:

- **Exploration of Diverse Career Paths:**

The Career Fair provided students with a unique opportunity to explore diverse career paths across multiple industries. The presence of companies from varied fields allowed students to gain insights into different sectors and make informed decisions about their professional journeys.

- **Direct Interaction with Industry Professionals:**

Students had the chance to interact directly with representatives from renowned companies. This one-on-one engagement not only facilitated networking but also allowed students to gain a deeper understanding of industry expectations, trends, and requirements.

- **Opportunities for Recruitment:**

Participating companies, including Coca Cola (Bottling Plant), Oppo Mobile, Jaro Education, and others, actively sought to recruit students from a range of disciplines. The fair served as a platform for students to submit resumes, attend interviews, and potentially secure internships or full-time positions.

Importance of Career Fair 2020 for Industry:

- **Access to a Diverse Talent Pool:**

Companies participating in the Career Fair gained access to a diverse talent pool encompassing various disciplines, including engineering, sciences, management, and agriculture. This diversity ensures that industry needs are met with a well-rounded pool of candidates.

- **Recruitment Across Multiple Disciplines:**

The fair facilitated recruitment across a broad spectrum of disciplines, enabling companies to find talent that aligns with their specific requirements. From engineering and technology to management and agriculture, companies had the opportunity to tap into a versatile pool of candidates.

- **Establishing Brand Presence:**

Participation in the Career Fair allowed companies to establish a strong brand presence among students and the academic community. It showcased their commitment to talent acquisition, professional development, and collaboration with educational institutions.

The Career Fair 2020 at Sri Guru Granth Sahib World University transcended its role as a traditional job fair. It emerged as a vibrant platform where academic aspirations converged with industry demands. The active participation of renowned companies, the diverse representation of students, and the collaborative spirit fostered by the university exemplify the success of this event. As Sri Guru Granth Sahib World University continues to champion industry-academia collaboration, the Career Fair stands as a beacon of success, illuminating the path for future initiatives that bridge the gap between education and employment.

The "Career Fair 2021," hosted on August 27, 2021, at Sri Guru Granth Sahib World University, served as a transformative event, bringing together students, renowned companies, and academia to create a dynamic platform for exploration, interaction, and recruitment. With a diverse array of companies participating, the fair became a melting pot of opportunities for students pursuing various disciplines.

The Career Fair 2021 was not just a traditional job fair; it was a convergence of aspirations and opportunities. Designed to cater to students across Postgraduate and Undergraduate courses in Engineering (Mechanical, Electronics, Electrical, Computer Sciences, Biotechnology, Food Processing Technology), Sciences, MBA, M.Com, BBA, B.Com, MCA, BCA, Agriculture, Engineering, and Diploma, the fair aimed to bridge the gap between academia and industry.

The Career Fair played a crucial role in emphasizing Sri Guru Granth Sahib World University's dedication to holistic education, providing students with exposure to a diverse array of career options. By uniting companies from various sectors, the fair showcased the university's commitment to preparing students for the multifaceted challenges of the professional world. The active involvement of reputable companies not only solidified the university's status as a central hub for industry partnerships but also highlighted its ongoing efforts to establish and nurture relationships with companies across diverse sectors, ensuring continual collaboration to the benefit of both students and the institution. Moreover, the direct engagement with industry professionals during the fair offered the university valuable insights into current industry trends and demands, creating a feedback loop that aids in aligning academic programs with real-world requirements. This proactive approach ensures that graduates are well-prepared and equipped to meet the evolving challenges of the professional landscape.

The Career Fair emerges as a pivotal platform for students, offering them exposure to a diverse array of potential career paths across various sectors. This immersive experience enables informed decision-making, allowing students to align their professional journeys with their unique interests and skill sets. Beyond exploration, the fair provides students with invaluable networking opportunities by engaging with recruiters and industry representatives. These connections serve as gateways to potential employment, internships, mentorship programs, and collaborative projects, fostering a rich tapestry of professional relationships. Moreover, the fair operates as a live recruitment ground, where esteemed companies such as Coca Cola (Bottling Plant), Oppo Mobile, Jaro Education actively seek to recruit students from diverse disciplines. This dynamic environment allows students to showcase their talents, submit resumes, and engage in interviews, providing real-world recruitment opportunities that are instrumental in launching their careers.

For participating companies, the Career Fair is a gateway to accessing a multifaceted talent pool that spans engineering, technology, management, agriculture, and beyond. The diversity within this pool ensures that industry needs are met with a comprehensive array of candidates possessing varied skills and expertise. The fair facilitates recruitment across a broad spectrum of disciplines, offering companies the flexibility to find talent precisely tailored to their specific requirements. Whether in search of technical expertise, managerial acumen, or agricultural proficiency, companies have the opportunity to connect with candidates from diverse backgrounds. Additionally, the fair serves as a platform for brand building and engagement, allowing companies to establish a robust presence within the academic community. Actively engaging with students and showcasing commitment to talent acquisition and professional development, companies cultivate meaningful connections that extend beyond recruitment, contributing to the long-term success of both the companies and the students involved.

SHIROMANI GURDWARA PARBANDHAK COMMITTEE PROJECT

"CAREER FAIR 2022," orchestrated by the Department of Training & Placement at Sri Guru Granth Sahib World University on May 24, 2022, in collaboration with the District Bureau of Employment and Enterprise, Fatehgarh Sahib (Punjab Govt.), lies in its role as a pivotal platform for fostering connections between students and potential employers. This event serves as a conduit for students to explore diverse career opportunities, engage with industry professionals, and gain insights into the current job market. Additionally, it highlights the university's commitment to preparing students for the professional realm by facilitating direct interaction with recruiters and industry representatives. The collaboration with the District Bureau of Employment and Enterprise further enhances the fair's reach and impact, creating a valuable bridge between academic pursuits and real-world employment prospects.

The organization of "CAREER FAIR 2022" by the Department of Training & Placement at Sri Guru Granth Sahib World University holds paramount importance for the university, students, and the industry at large. For the university, this event is a manifestation of its commitment to holistic education, transcending classroom learning to prepare students for the multifaceted demands of the professional world. It serves as a dynamic platform for the university to showcase its dedication to creating well-rounded graduates equipped with the skills and knowledge necessary for success in various industries. Moreover, the collaboration with the District Bureau of Employment and Enterprise, Fatehgarh Sahib (Punjab Govt.), reflects the university's strategic engagement with governmental bodies, strengthening its position as a hub for industry-academia collaboration.

For students, the "CAREER FAIR 2022" is an unparalleled opportunity to gain exposure to a diverse array of career paths and industries. The event facilitates direct interaction with potential employers, allowing students to showcase their skills, engage in meaningful conversations, and explore internship or job opportunities. It provides a valuable networking platform where students can establish connections that may lead to mentorship, internships, and collaborative projects, contributing to their professional development. The fair offers insights into the current job market, helping students make informed decisions about their career trajectories.

In terms of industry, the event provides a direct link to a pool of potential talent. Participating companies have access to a diverse talent pool across various disciplines, from engineering and technology to management and agriculture. The "CAREER FAIR 2022" serves as a live recruitment ground where industry representatives can scout for candidates who align with their specific requirements. Furthermore, the collaboration with the District Bureau of Employment and Enterprise enhances the fair's regional impact, fostering stronger ties between the university and local industries. This partnership ensures that the industry's workforce needs are met with well-prepared graduates, establishing a symbiotic relationship that benefits both parties.

In essence, the "CAREER FAIR 2022" serves as a cornerstone for Sri Guru Granth Sahib World University, students, and industry stakeholders, fostering collaboration, facilitating professional growth, and contributing to the development of a skilled and knowledgeable workforce ready to meet the challenges of the ever-evolving job market.

The Department of Training & Placement, Sri Guru Granth Sahib World University, organized "CAREER FAIR 2022" on 24th MAY (TUESDAY) 2022 in collaboration with the District Bureau of Employment and Enterprise, Fatehgarh Sahib (Punjab Govt.).

The following companies were the recruitment partners for the event.
